

To maintain immigration status, international students (F-1 and J-1 visa status) are required to be enrolled for a full course of study (12 units) each quarter, except summer. Under certain circumstances (listed below), permission may be granted to enroll in a reduced course load (less than 12 units), or take time off from pursuing your degree.

The International Center must authorize your petition for a reduced course load **PRIOR** to reducing your units or withdrawing/taking time off from UCI.

ACADEMIC LEAVE OF ABSENCE:

- The International Center will terminate your SEVIS record to comply with F-1/J-1 regulations. You will be required to be absent from the U.S. during the LOA period. Schedule an appointment with an IC advisor for further information for immigration advice about how to resume your studies at UCI.

ACADEMIC LEAVE OF ABSENCE OR PART TIME STUDY DUE TO HEALTH/MEDICAL REASONS:

- International students needing to enroll less than full-time or be absent for one quarter due to a medical/health condition must submit documentation verifying the medical condition.
 - This includes a **letter from a CA licensed medical doctor, doctor of osteopathy, or licensed clinical psychologist**. The letter must include the recommendation from the doctor to take a reduced course load or be absent during the petitioned quarter due to a medical condition and must state that you are under a doctor's care. Only letters on original doctor/hospital letterhead will be accepted.
- Prior to requesting Part-Time or Leave of Absence for health/medical conditions, please schedule an appointment with an IC Advisor for additional information and specific procedures.

FILING FEE STATUS

- You can be on filing fee during your last quarter at UCI if you have not been on a part time status during previous quarters for having *less than 12 units to complete your program*. When the International Center approves your Filing Fee a new I-20/DS-2019 will be generated if the end date of your I-20/DS-2019 is in the future. You will be expected to graduate at the end of the filing fee quarter. Students on filing fees are not eligible for an extension of their I-20/DS-2019 beyond the quarter on filing fee.
- Student must pay Filing Fee *before* submitting documents to the IC.
- Processing time for Filing Fee is three business days at the IC. Once the IC authorizes the Filing Fee Status, the IC will forward your request to Graduate Division.

PART TIME STUDY DUE TO HAVING LESS THAN 12 UNITS TO COMPLETE DEGREE REQUIREMENTS

- A new I-20/DS-2019 will be generated if the end date of your I-20/DS-2019 is in the future. This end date will be adjusted to reflect the end date of the quarter you are on part time status. You will be expected to graduate at the end of the quarter on part time. Students on part time status due to having less than 12 units to complete all required requirements for the degree are not eligible for an extension of their I-20/DS-2019 beyond the quarter on part time.

ACADEMIC DIFFICULTY

- Course load may be below 12 units ONCE during your program of study for one of the following reasons:
 - Initial difficulties with the English language
 - Initial difficulties with reading requirements
 - Unfamiliarity with American teaching methods
 - Improper course level placement

Section 1 of this form must be filled out by the graduate student requesting the reduced course load. Section 2 must be filled out and signed by the student's Academic Advisor. For further information, please reference the descriptions provided on the back of this form.
