

You must complete all sections of this form to request a new visa document (I-20/DS-2019) from UC Irvine. Follow the instructions for each section and include any required documents indicated.

You will submit your completed packet to your admitting academic department. **DO NOT** submit pages 1-3 of this form. Your academic department will include additional information and deliver the entire packet to the International Center (IC). Once the International Center receives your packet, and verifies that it is complete, the **processing time** for your document will be **3 weeks**.

You must activate your UCI NetID before mailing these documents to your department. Please visit this website: <https://ucinetid2.nacs.uci.edu/activate/menu.html> and follow the directions to activate your UCI NetID. The start date of your academic program will determine when you are able to activate your UCI email address. Please note that the International Center will utilize email as the primary form of communication.

If your packet is incomplete or changes are needed there will be a delay in processing your request. Due to high volume of document requests, the International Center is unable to expedite individual requests.

As you complete each section, please check the corresponding box in the checklist.
If applicable, please ensure you include all requested additional documents with the packet.

INSTRUCTIONS

SECTION 1: VISA INFORMATION

This section will provide the International Center with information about your individual visa document needs. For more information about the F-1 and J-1 visas, please visit the International Center website: <http://www.ic.uci.edu/Students/New/F-1orJ-1.php>.

SECTION 2: PERSONAL INFORMATION

Information in this section must be completed exactly as it appears in your passport—including symbols and spacing. You must include a **copy of your passport biographical page** (passports must be valid a minimum of 6 months beyond your intended start date at UCI).

SECTION 3: ADDRESS INFORMATION

Must be a physical street address. P.O. Box addresses cannot be accepted. If you are TRANSFERRING your SEVIS record to UCI, you **must** provide a local address to complete the transfer.

SECTION 4: FUNDING INFORMATION

UCI must verify that you have sufficient financial support to meet your educational and living expenses. Indicate all funding sources for the 2017-2018 academic year by selecting the appropriate categories. You may select multiple funding sources. For each source you select, please write in the Funding Amount in the column to the right and provide the additional requested items with your complete packet.

- F-1 students, indicate funding for at least **one** academic year
 - If requesting a document for a dependent, you must provide additional financial support of \$4,500 *per* dependent
- J-1 students, indicate funding for the **entire length of your program**
 - If requesting a document for a dependent, you must provide additional financial support of \$4,500 *per* dependent for the entire length of your program. For example, if you are in a 5 year program, you must provide \$22,500 per dependent (\$4,500 x 5 years = \$22,500)

Providing insufficient funds will delay processing time. The International Center will accept a scan/copy of your financial document; however, if the document provided is illegible or difficult to read, we will request a replacement. The U.S. consulate will require original financial documents.

If you will begin your program during Summer Session, you must enroll in a minimum of 6 units and provide the following amount of additional funding: \$8,227 (except for students in the MFin and MSBA programs). This amount includes the cost of enrolling in six units and your summer living expenses—this amount is subject to change.

The amounts listed below are a reflection of the 2016-2017 academic calendar year and are subject to change. For more information, please visit the website for the Office of the Registrar: <http://www.reg.uci.edu/navigation/fees.html>.

All Financial documents must meet the following criteria:

- Less than 3 Months old (from date the International Center receives packet)
- Must be in English or have an official notarized English translation
- Must be in U.S. Dollars (USD) or provide currency conversion for total amount shown
- Total funding amount must be written in the designated field
- Name on bank document must match listed sponsor(s)
- Financial documents must show liquid assets that can be easily converted to cash
 - **THE INTERNATIONAL CENTER WILL NOT ACCEPT DEEDS, TRUSTS, TAX DOCUMENTS, SALARY STATEMENTS, ETC.**

SECTION 5: MAILING INFORMATION

You have two options to receive your new student visa document: (a) pay for mailing through eShipGlobal, or (b) pick-up the document in-person from the UCI International Center. The International Center *strongly* encourages all students to pay for mailing. Failing to select an option, or changing a selection, will delay the release of your immigration document. The International Center is unable to modify document processing times to accommodate individual travel plans.

How to pay for eShipGlobal:

1. Go to the eShipGlobal website: <https://study.eshipglobal.com> (use Internet Explorer or Mozilla Firefox)
2. Under the Student section, click "Sign up"
3. Create your account by completing the form. You will need: UCI Student ID number, mailing address, e-mail address, phone number, and credit card information
4. If you experience difficulty, click the "Help" link in eShipGlobal. The UCI International Center is unable to resolve technical problems associated with eShipGlobal
5. Please select sender: "University of California – Irvine, UCI Student Center, Suite G302, International Center"

For more information, please visit our website: <http://www.ic.uci.edu/Students/New/Mailing%20Information.php>

DEPENDENT INFORMATION [IF APPLICABLE]

Complete this section if you will be requesting a visa document for a spouse and/or child. All information must be completed exactly as it appears in their passport(s). You must submit the following items for each dependent:

- A copy of their passport biographical page (passports must be valid a minimum of 6 months beyond your intended start date at UCI)
- Financial support, please see **Section 4** for funding requirements.

SEVIS RECORD TRANSFER PROCESS [IF APPLICABLE]

This section is to be completed by students who are currently attending school in the U.S. in F-1/J-1 student status. This information will be used to transfer your current SEVIS record to UCI.

You will need to inform your current school who issued your I-20/DS-2019 that you have been admitted and plan to transfer your SEVIS record to UCI. To be eligible to transfer to UCI, you must be in legal F-1/J-1 status; and your SEVIS record must be in ACTIVE status. If you are NOT in status, you will need to request a NEW initial I-20/DS-2019 from UCI. Your school should NOT transfer an inactive or terminated SEVIS record to UCI. If you meet these requirements, you are eligible to transfer your SEVIS record to UCI. You will need to show the school codes below and an admission letter to the (P)DSO/(A)RO at your current school to have your SEVIS record transferred. **Your SEVIS record should not be transferred if you are unable to provide your previous school with an admission letter verifying you have been admitted to UCI.**

The International Center cannot begin processing your new student request until your SEVIS record has been released to UCI. Processing time is **3 weeks** from your SEVIS record release date.
